Dear Friend,

Each year you are faced with a need to provide well-rounded assembly programs. Programs that are not only attention grabbing but deliver an important message as well. I know funds are limited and you may only be able to offer a few assemblies for your student body. With this unfortunate circumstance you need to be very concerned with the quality and content of the programs you choose.

**“The Reach for Success 6 Pillars of Character” show is a Program to support you Character Counts™ program.**

My name is Tim Adamz, I am a full-time professional speaker, entertainer and author. My shows specialize in presenting a fun and educational assembly program. The Reach for Success 6 Pillars of Character program is a great way to help your children learn about:

“Your message was simple and clear. Good teaching strategies were used”
